Atchison Recreation is happy to bring back the program, Toddler Time. This activity is for children ages 5 and under. With the colder temperatures coming, we understand that it can be hard to find activities for kids that are still at home during the day. We invite you to come on down to Memorial Hall and spend some time at one of our many different play stations. Each station will help to build on kids motor skills and imagination. From bounce houses to gym scooters, there will be something for all to do.

**NOTE:** Each child must have a parent/guardian in the gym with them. No drop offs are allowed!
