

ARC Program Release 7/2/2020

Due to the recent order given by the governor of Kansas and the ruling of the county commissioners to follow the guidelines set forth by the governor, we are cancelling the 2020 summer league basketball and volleyball programs. We hope each and every one of you can understand why this decision had to be made and we hope that you will be back in the summer of 2021! We are thrilled with the amount of teams we had sign up and hope to build off of those numbers when we are able to return.

As far as refunds go, please let us know where to send them and who to make them out to. We will mail them to you if you request that or you will be able to come into the office and pick them up. Just let us know what works best for you.

Our instructional softball and baseball leagues will continue to operate as they are. We will encourage social distancing and also be strict in the disinfection of equipment and play areas. If you have any further questions, please reach out to us at 367-3352 or email us at atchisonrecreation@gmail.com

We will get through this! Stay safe and we hope to see you in our programs soon!

Sincerely,

ARC Staff
